ACTION MEMORANDUM

OFFICE OF THE DIRECTOR

Action Memorandum No. ~~A-109~~Date 19 November 1962

TO : Deputy Director (Support)
ATT : Director of Communications
SUBJECT : Communications Security

REFERENCE:

1. At the pre-USIB meeting on 15 November in connection with the paper prepared by OSI on electronic transmissions, the Director expressed great interest in what was being done in the communications security field. He said he wanted to be sure that everything possible was being done to protect our communications, noting his concern at the Soviet building across from our Embassy in Athens and the location of the Soviet Military Attache across from the house of Douglas Dillon in Georgetown. The Director indicated that he would like the USIB to consider what COMSEC was doing, and particularly whether our views were being seriously considered by the Department of State.

2. This is for your action in collaboration with Executive Secretary of USIB.
